

Seychelles International Business Company

Overview

Seychelles International Business Companies (IBCs), regulated by the Seychelles International Business Companies Act 1994, are the most popular and versatile type of offshore corporation available in the Seychelles.

Seychelles IBCs are tax-free corporations designed for engagement into all forms of international business, with no reporting and minimum record-keeping requirements, and comprehensive confidentiality features.

The process for incorporation is straight forward and could be up ready for operation within 2 business days (provided all required documents are submitted). The subsequent administration is simple.
